

Full Sermon Transcript:
Why Antichrist Given Power Over True Church
October 25, 2025

Let's go in prayer. Lord Heavenly Father, praise your holy name.

Thank you, Lord, for getting us through the previous month. Thank you, Father, for getting us through this week.

Thank you, Father, that Brother Jonathan is able to listen in alive today. Thank you for everyone in South Africa, England, Korea, and around the world that are listening.

Thank you for bringing Brother John all the way from Kansas, Robert from New Jersey, Brittany from Pennsylvania.

Thank you for bringing people to yourself, to your gathering, to your church. Thank you for showing us your truth.

Thank you for your continued mercy and grace upon us. Father, we do ask for your special anointing for today's worship services and this message we're about to receive.

Please help people to grow in understanding and not only understanding, but comprehension of the truth.

Help us to let go of the things that hold us in bondage, false doctrines, false religion, personal opinions.

Help us to let go of all those things and other things that hinder us. Help us to come more into the center of your will.

Help us to receive more of your Holy Ghost. Help us to be more pleasing to you. We accept your help and your anointing today for this message, for this sermon, and these services.

And we commit it to you in the mighty and holy name of Jesus. And the Church said, Amen.

You may be seated.

Let us turn to Revelation Chapter 13. For people that might be listening for the first time, we are reading from the Alpha and Omega Bible.

You're welcome to try to follow along in any translation you might have in front of you.

We do encourage that you use the actual real Bible rather than the electronic online editions.

There's a whole lot more power and authority and anointing in an actual real Bible that you can actually turn the pages.

Much more anointing and power of God in a real Bible. And I encourage you to read the real Bible continually throughout the week, every week.

There's a time and a place for electronic edition, a time and a place for it. But you need to prioritize using the real Bible the majority of your time.

In Revelation 13, verse 7. And it was given to him, the Antichrist, to make war with the saints.

That's the end of Jonathan's first call. It was given to him to make war with the saints and to overcome them.

And authority over every tribe and people and tongue and nation was given to him, to Antichrist.

I want to give Brother Jonathan time to call right back in. He only gets 15 minutes at a time, then he has to call right back.

And I also want to make sure all my programs are running and recording. I want to double check on this.

Anyway, thank you for your patience and your understanding. So, in verse 7, it says that the Antichrist in the Great Tribulation will be given power and authority to make war, to fight with the saints.

Saints means the true church. People in the false church, they are not the saints.

Common sense. Amen. The saints is the true church. This is absolute proof that there's no such thing as a pre-tribulation rapture.

You need to remember this verse anytime that you are talking with somebody about their false theology of the rapture.

Because this is absolutely powerful and solid. It cannot be debated. It is absolute. So you need to remember this verse.

You need to remember, you need to be able to turn to it. It needs to pop in your mind every time that this subject comes up.

Because this is one of the most powerful verses out of any verse in the Bible for that topic.

Making war with the saints and overcoming them, overcoming the true church in the Great Tribulation.

But also authority over every tribe, every nation, every group of people, every language on the whole earth.

The Antichrist will rule the one world government. And this includes Israel and America, England, the UK, all across

the world.

It says every nation, every tribe, every language. It says it. That can't be debated. And yet people will try to debate it and say, oh, but no, he won't be given power over Israel.

God will protect Israel. No, he won't be given power over America. America is too great. You either believe what the Bible says or you don't.

One way or the other. You can't have it both ways. You either believe what it says and accept it or not. But why will God give power and authority and victory to the Antichrist over the true church?

Why? And that is what we're going to talk about and focus on in today's message. I'm going to answer that by going to the end of this video.

Revelation 3, verse 14. We know this passage extremely well. We read it extremely often because it's extremely important. We know this passage extremely well.

We read it extremely often because it's extremely relevant to us. This is us. This is today's modern true church. Verse 14.

The first of the creation of the Theos says this. Verse 15. And I want to change the word so to the word but. That fits better in the context.

The Greek word can be translated as so or the word and or but or yet. There's many different ways you can translate that Greek word but.

But fits the context much better. So we're going to say but because you are lukewarm and neither hot nor cold.

I need to get where I'm at kind of losing my track on my eyes. I want to start in verse 15 again.

I know your works that you're neither cold nor hot. I desire that you were cold nor hot.

But because you are lukewarm and neither hot nor cold. I will vomit you out of my mouth.

Some translations say spit you out of my mouth. It probably can be translated either way.

But I believe that vomit is more accurate. Either way is an insult to the true church. Amen.

But a very accurate very needful insult that we need to hear. A reality that we must hear. Jesus will vomit the true church out of his mouth.

And that matches what we have read already in Revelation 13. That the true church the saints are not given victory.

Over the Antichrist at the start of the tribulation. We know we have the ultimate victory of course.

At the end of the day. And going forward after that. We also know we'll read it later that there's different segments of the true church.

Some of the true church will not be vomited out of his mouth. Some of the true church will be protected and nourished and greatly helped.

But we're talking here about the larger portion. The larger portion of the saints.

The larger portion the majority of the true church worldwide. Were not going to be protected or nourished or fed.

But rather they will be given to the Antichrist and defeated by the Antichrist. But rather they will be given to the Antichrist and defeated by the Antichrist.

Vomited out of God's mouth. Verse 17 because. Here's why. Because you say I am rich meaning spiritually rich.

Spiritually full. And have become spiritually wealthy and spiritually in need of nothing.

Yet you do not know that you are wretched. And miserable. Spiritually poor spiritually blind and spiritually naked. He's not saying that we are physically naked.

And this is why I'm vomiting you. Or that you are spiritually. I mean and he's also not saying that you are physically poor. And therefore I'm vomiting you out of my mouth because you're physically poor.

That wouldn't make sense right. We have many Bible verses multiple Bible verses that being poor is actually better for us. Rather than being rich. So it's obvious. That he's talking spiritual not physical.

About every one of these qualities. Nakedness. Poverty. All of this is spiritual poverty.

Spiritual nakedness. That's clear but some people will try to debate you on that.

Verse 18. I advise you or counsel you to buy from me gold refined. I want you. To take a magic marker. A highlighter rather. A pencil a pen. Circle it.

Highlight it. Gold refined. Because that is a huge clue. Gold refined. It points us. To a verse in Peter that we're going to read next. But let's finish this passage first. But remember.

Gold refined. It points us. To first Peter one. But continuing here it says. To buy from me. Gold refined by fire. So that you may become. Become spiritually rich.

And white garments. So that you may spiritually clove yourself. And the shame of your spiritual nakedness. Will not be

revealed.

And that the spiritual eyes have. To anoint your spiritual eyes. So that you may spiritually see. That's what God wants for us.

But we cannot get to the point. Of where we're going to have that level of spiritual eyesight.

That level of white garments. Spiritual white robes. We're not going to get that point. Until we are refined like gold. By fire.

We need the great tribulation. And we need it bad. Amen. And this is what I. Also encourage you to remember. When you talk to people about. The rapture theology.

So many people stand up in church. Say I'm ready to go tonight. When that's obviously not the truth. Amen.

They hold on to demonic Christmas. Demonic Sunday. Demonic Easter. Demonic Halloween.

Ash Wednesday. The list is endless. Of the reasons why they are not ready to go. Amen.

But even in the true church. There are reasons that we're going to cover today. Why. We need the great tribulation.

And we need it badly. That would encourage you to talk to people and say. The church is not ready to go. We need to be purified by fire.

By the great tribulation. Amen. But continuing in verse. 19 it says. To whom I love. I convict and discipline.

Therefore be zealous. Passionate. God wants us to be. Passionate. And it says and repent. Being passionate. Is opposite of being Laodicean. Amen.

So I want you to highlight or circle. Be zealous. Or be passionate. And I want us to change that to be passionate.

Because we're dealing. Worldwide with people from. Different languages. Russian. Chinese. Spanish. African.

Different languages.

And I believe that more people would understand the word passionate. Than what they would.

For the word zealous. As they're learning English. Be passionate. It's being opposite of lukewarm. We need to write this down and put it on the refrigerator.

Put it on the bathroom mirror. Amen. Put it somewhere. Put it on the dash of your car.

Put it somewhere. But being passionate. Ain't really something we need to remember to do. Because it comes from the heart. Amen.

That should come. Natural. As he told one of the churches. That they need to go back to their first love. Right. When we first come into the truth. We're passionate.

We're excited. We want. God we want his truth. We want his word. But as the weeks and the months and the years accumulate. And all the distractions.

Of trying to pay the bills. Take care of the car. The car repairs. The wife. The children. The wives. Family. Friends. Internet. Social media. Daily life. Daily problems. We tend to fall off. From that first love. Of the way we felt. When we first found the truth.

We first found God. Become less passionate. More lukewarm. More complacent. We forget the priorities. Amen. And especially. When we.

Are so accustomed to the Babylonian Christianity. Where. They don't set the right priorities. Amen.

So. We need to be passionate. But that should come from within. Amen. Verse 20. Behold I stand at the door. He's near. And he's knocking.

He's trying to get our attention. He wants in. He wants into our lives. More into our lives.

More into our hearts. More into our priorities. More into our daily life. He's standing at the door knocking.

If anyone hears my voice. And opens the door. I would come into him. And would dine with him.

Supper with him. Have a meal with him. Your meal time. The kitchen table. The kitchen. Is fellowship. Amen. Fellowship.

Talking. Getting to know each other. Sharing what has happened that day with one another. And he with me.

It's a two way street. I would dine with him. And he with me. It's a relationship.

It's two way. Not just one way. Verse 21. He who overcomes. You got to overcome. Not only sin. But the complacency. Amen.

And all the other things we're going to list later on in the sermon. Of why we're going to be thrown in the fire. Amen.

But we got to overcome a lot of things. But to he who overcomes. Which is opposite of just.

Just only entering in only by mercy. Amen. He that overcomes. I will grant to him to sit down with me.

Which is also relationship. On my throne. His shared throne. Which means he's given us authority.

As I also overcame. And sat down with my father on his throne. He who has a ear. Let him hear what the spirit says.

To the chosen assembly of the kingdom. Amen.

So now we'll turn to 1 Peter 1 verse 6 and verse 7. Verse 6. In this we greatly rejoice. Even though now for a little while. If necessary, you have been distressed by various trials.

The word trials can also be translated as tribulations. Or troubles. Or tribulations. If necessary. You're distressed by various tribulations.

Verse 7. So that the proof. So that the proof of your faith, more valuable than gold which is perishable. Even though tested by fire, may be found to result in praise and glory and honor.

At the appearing of Jesus. The Christ. Amen. If we want to be that bride. At the wedding supper. Spiritually dressed. In white robes. Pressed.

Refined. Without wrinkle. Without blemish. Without spot. We need to go through the laundry mat of the great tribulation of being purified by fire through various tribulations, trials, sufferings.

This is why God allows suffering. This is why God allows cancer. War. And all the difficulties. Of life. Is that all of us. All people need purified. Not babyfied. Amen.

That's an excellent meme right there. All people need to be purified. By the sufferings and trials.

Of life. Not babyfied. And spoiled. And raised with a silver spoon in our mouth. We need poverty. We need suffering. We need illness. We need sickness.

The thorn in the side of Paul. In 2 Corinthians 6 I think it is. Or wherever it's at.

The thorn in the side of Paul. Is a sickness. That was not removed. Even though he prayed about it.

Asked for deliverance. Asked for healing. Multiple times. And Jesus was like no I will not heal you.

You need this in order to humble you. You need this suffering. In order to purify you. To cleanse you. Amen.

We need it. Amen. We need the great tribulation. Both the false church and the true church. All mankind needs the great tribulation.

It's a gift from God. Amen. The great tribulation is a wonderful gift from God. To purify us and get us where we need to get.

To that spiritual level of completeness and perfection. To be holy. To be perfect. We need the great tribulation. Amen.

Let's go to Revelation 12 verse 7. There was another war in heaven.

Michael and his angels waged war with the dragon Satan. And the dragon his angels waged war.

This is not the original fall of Satan. Original war in the universe. In heaven. It's not.

It's an end time war. That occurs at the time of Purim. Of whatever year. At the time of Purim.

Around the time of February, March. In the end time. It's 30 days before the great tribulation. As we keep reading you will see that the context is extremely clear.

That it's not talking about multiple thousands or millions of years ago. But just before the great tribulation.

Is the context very clearly. A war in heaven. This happens at the strong delusion. Of where the antichrist appears as if he is God.

In the temple of God. And God kicks him out of the temple. Kicks him off the throne. And sends him back down to the earth.

Verse 8. And they the fallen angels were not strong enough. And there was no longer a place found for them in heaven.

Verse 9. And the great dragon was thrown down the serpent of old. Which is called devil Satan.

Which deceives the entire world. He was thrown down to the earth. And the angels were thrown down with him. Then I heard a loud voice in heaven saying.

Now the salvation and the power. And the kingdom of our Theos. And the authority of his Christ have come. For the accuser of our brethren.

Have been thrown down. He who accused them. Before our Theos. Day and night. But they the saints. Overcame him the devil. By the blood. Of the lamb.

And by the word of their testimony. And they did not love their life. Even when faced with death. Or martyrdom. Amen.

Verse 12. For this reason rejoice oh heavens. And you the angels who dwell in them.

Woe to the earth and the sea. Because the devil has come down to you. Having great anger. Knowing that he has a short time. Three and a half years.

And when the dragon saw that he was thrown down to the earth he persecuted the woman. Talking about the true church who gave birth to the male, Jesus. So Mary. Is a symbolism for the true church. And Israel. Is also. Israel was the Old Testament church. And so you have a combination of. Theology here you have a combination of.

Words. And all these different symbols. Throughout this chapter are combined. But he. Persecutes the woman the church. And as well as persecuting Israel. So this verse is Satan persecuting. Both spiritual Israel. And physical Israel. Both. Both. It goes both ways.

Prophecy many times is dual. Having two fulfillment. Or two meanings. And so this is. The devil waging war. Against the true church. As we started. With Revelation 13 verse 7. Earlier. The Satan gave in power. Or even the Antichrist gave in power. Over the church. And waging war of the church. But we see here in verse 14. But the two wings. Of a great eagle. Were given to the woman. The church. So that she would fly into the wilderness. Into her place. Where she is nourished. For a time. And half a time. That's three and a half years. From the presence. Of the serpent. This is where. The woman is no longer Israel. Physical. At all. This is not a promise to the Jews. This is not a promise to people. Just because they're Israelites. But rather. This is specifically now. Starting with this verse. No longer talking about. Physical Israel. But only spiritual Israel. The true church. Not the false church. But only the true church. This is the true church. Part of the true church. Being separated. From the other part of the true church. In verse 13. You have part of the true church. As well as the Jews. Being. Against. By the antichrist. And Satan. Suffering that war. Suffering the repercussions of the spiritual battle.

In the great tribulation. And yet. That next verse. A protection for only part. Of the true church. Which also proves. Against the pre-tribulation rapture. As well. You have part of the true church. Being protected here on earth. In a wilderness. A wilderness is not heaven. It's opposite of rapture. So this is another excellent verse. So here you see both things. I have to repeat it. Because some people have understanding. Or difficulty understanding English. I'm going to repeat it in different ways.

That we have part of the true church. In these two verses. Suffering. Under the antichrist. And a different. Part of the church. Being protected. Hiding. In the great tribulation. And being nourished. And notice. In verse 14. That she is nourished. That she is fed. That she does not starve. Amen. Verse 15. This verse. Can be literal. Or symbolic for armies. Or we may actually see. That it is both. In different ways. I do believe. That it is. Both. A literal. Raging water. Flood of some type. Whether it's hurricane. Or the bursting of dams. Or whatever form that might take. I believe that there's going to be. Actual real water flooding. At certain locations on the earth. Where there's one location. Or multiple locations. Either way. However that happens. As well as physical armies. That are trying to capture. The true church. As we began our exodus. In verse 17. This is really. Extremely easy. To understand. Once you hear the truth. For the first time. And apply some common sense. And read it slowly. And especially. Reading with the Holy Ghost. The help of the Holy Ghost to understand things. Things become very clear. And very simple. And easy to understand.

Now let's talk now about. Why. Part of the true church. In fact the majority of the true church. The saints. Will not be nourished. Or protected. Why. To the Antichrist. Over the majority. Of true Christians. Worldwide.

Why. We read the verse about. That we are the Laodicean Church. And it said. That you think you're spiritually rich. And have need of nothing. You don't know that you're spiritually. Naked and poor. So primarily. This means that most. Christians. Think they already know it all. They don't need to grow. And they don't grow. Because they're resistant. To learning. Additional doctrine. They want to hold on. To. Whatever they already believe. Not let go. Of their personal opinions. Not let go. Of their own theology. Or in some of the doctrines that they learned. While they was still. In the Babylonian churches. Refusal to let go 100% from Babylon. Refusal to grow. In additional, deeper truth. They already understand the basics. The foundation. The baby stuff. For example they already understand. The Sabbath. They accept the Sabbath. If you're part of the true church. You accept the Sabbath. And the holy days. Amen. The name of Jesus. These are the basics. The baby stuff. That you start with. When you first come into the truth. They

understand that Christmas and Easter. And Halloween. That these are demonic. That they are pagan. That's the foundation. That's the baby stuff. That's the easy stuff. That's the easy stuff to learn and to embrace. Amen. So they stay with the baby stuff. The easy stuff. The basic stuff. The foundational stuff. There's a verse in Corinthians. That's the foundational. Things. Such as the. Resurrections. And laying on of hands. It says let us move on. From those things. Which doesn't mean. Do away with them. But just that we need to. Grow deeper. In the word of God. The meat. The stronger doctrine. That we are more difficult. To embrace. More difficult. More controversial topics. That we need to get deeper in Christ. Amen. As we go through this list.

I think it would be beneficial to go back to Revelation 3. Just to have that there. I don't know if I'm going to be reading from it.

But let's have it right there. Because. We're talking about. Being Laodicean. And how that we are Laodicean. Staying with the baby stuff. Luke warmness. If we're passionate. Then we should be. Then we should be. Wanting the deeper things. Desiring the deeper things. Jesus said. If you're thirst coming to me. Amen. If we're passionate. We want more of God. We want more of his word. We want the deeper things. We want the meat. We want the steak. Of the word of God. Not just the milk. The baby stuff. Just the milk. We need to be willing. And even have the spiritual hunger. We need to have the spiritual hunger. For the steak. The deeper. Harder. More controversial. Topics. And be willing to grow in those things. Most people are not. Even in the true church.

I believe that we have members of the true church. That are. Used to be. Members of this. Are specific congregation. But are no longer with us today. Because they refuse to grow in those deeper things. Amen. Some of those people. I pushed them away. All the ones they pushed me away. Us away. The church away. But however it happened. Regardless of that. Doesn't really make any difference. The fact is. They. Fit one of these categories. Of the things. Many different things we're going to talk about. One of them being. Sticking with the milk. Not growing.

In the deeper things. Whether they left on their own quarry. Or whether I pushed them away. Doesn't matter. We're still talking about the same. Reasons. We're going to come back. To that later. I'm going to. List some of the other things. We're going to talk about that more. Later though. But Laodicean. Part of the reasons. Is you know. Is different reasons for different things. And I'm going to. Talk about that later. But Laodicean. Part of the reasons is. You know is different reasons for different people. Okay so we're going to go through a list.

But some people is. Lack of communication. Being too private. Not sharing. What's going on in their lives. Not communicating. With me or the church. About what's going on in your life. Because I have stood up here. Over and over and over and over. Over the years. I've regurgitated the same thing. Over and over and over. Without any results. People are still. Remaining totally. Private. Never updating the church at all. About anything in your life. What's going on. How things are going. People are too busy to communicate. Not realizing the importance. Of. That the church needs to be family. And with family. You talk to them. You communicate with them. You tell them what's going on in your life. If you've got brothers. If you've got sisters. If you still have parents. If you have children. You talk to them. You tell them. Hey guess what happened. Guess what's going on in my life now. These are my successes. These are my victories. These are the improvements. These are the downfalls. You communicate. You keep your brothers and your sisters. Your parents. Your children. You keep people like that up to date. But you treat the church. As if they're not family. That's a problem. There's been no improvement. On that issue. At all. Zero. From anyone. Zero. Too private. Too busy. To communicate. Not acting like the church's family. Lack of communication. Another reason is. Being led to sin. A lot of the members of the church. Cannot think. Of more than five or ten things. That God has done for you. In your entire life. You've lived 30, 40, 50, 60 years. But you can only think of five or ten things. God has done for you out of 50 years. That's pretty sad. Lack of working for the kingdom. Some people. Don't work for the kingdom enough. Sufficiently. To satisfy God. Some people have a lack of devotion. To gathering. For the pilgrimages. I know not everybody can. Different locations. Different cities.

Different nations. Different problems. But if we can't. Gather for a fiesta. With other brothers and sisters. That's not a suggestion. It's a command of God. Lack of devotion.

To gathering for the fiestas. Other people. Waiting. Wanting to lead themselves. Not following the leadership. Of the church administration. Not following my leadership. But leading.

Their own self. Based upon their opinions. Their way of thinking. Their way of doing things.

Not following my guidance. And direction. Whereas God has. Given me that responsibility.

To set a direction. For the church members. And yet people want to resist the direction. That I set.

Some people don't want to surrender. Their homes. Their lives. Their husbands. Their wives. Their spouses. Their boyfriend. Their girlfriend.

Their family. Their money. Their multi-year college. They don't want to surrender.

Their own plan. Their own will. Some people think that they still have decades. Before the Great Tribulation.

They don't see how short time is. Some people. Don't want to submit to authority. Some people are very anti-authority. Anti-government. Anti-leadership. They want to lead themselves. They don't respect authority.

Even though the Bible is very clear. About respecting authority. Some people reject. A need to have a pastor.

To have a leader. To have authority. Some people think. Around the world. This is not just limited in this congregation.

When I go through this list. But I'm talking about other true Christians around the world. As I go through this whole list.

Other true Christians. That we haven't yet talked to. Or met. Or have. But it was two years ago. Or ten years ago. Or ones that we have not met yet. As we go through this list.

But some people think. They don't need a pastor. Or church or a gathering. Or church body.

Some people think. That. Even if they live in the same town here. Or only one hour drive.

That they don't have to make that drive. That they don't have to gather with us. Just because they disagree with me.

About one or two things.

Or maybe they're just too lazy to drive. And they don't see the biblical requirement.

Even though it is definitely in the bible. To gather with people. On the Sabbath and holy days. Amen.

For some people that have been. Abuse of funds. That were sent to them. By the church.

When we sent them funds they have. When we sent them money that they have. Abused or not used. Those funds appropriately.

They don't realize. How much. Of a sacrifice it is. For the church or for me personally.

Or for the church or for other church members. How much we have sacrificed. The church funds when they were sent.

For rent.

For electric. For car fuel. For medicine. For vitamins. For necessities. They are not sent for. Eating out. Or indulging.

They are sent for necessities. Other people have disobedience. Concerning. The holy days or commandments.

As far as. They are still working on the Sabbath. Still working on the holy days. Or they might do that once a year.

There is not complete obedience. To the commandments. Of resting on the Sabbath. They are sent for.

Necessities. Other people have disobedience. Concerning. They are still working on the Sabbaths.

Some people don't want to let go. Of the Babylonian doctrines. About the Trinity. Or about heaven and hell.

What happens when you die. They don't want to grow in those truths. Continuing to hold on to Babylonian doctrines.

Some people continue to hold on.

To King James Version only. But they are still. They are still God's people. Called.

Chosen. Saved. They have been baptized. They keep the Sabbath. They keep the holy days. But. They just can't let go.

Of these false doctrines.

For King James only. Or what happens when you die. They are not growing enough. In the truth.

Some women. Wives. And women that are not wives as well. Some women not submitting.

To the authority of the men. That's a major problem. Among wives especially. But even the women that are not wives.

Having problems submitting. To male authority. In the church or at home. That's a major problem among even true Christians.

And similar to that, women trying to teach. Women. Asserting too much authority. Trying to teach too much. Rather than just sharing. What the church is putting out.

They are trying to do their own teaching. Without having that calling. Without having that anointing. Without having that duty.

Or that responsibility. Some women continue to wear the cosmetics. Makeup. The eye shadow.

The eyelashes. These things that are. Different to being a prostitute. Glorifying themselves.

Beautifying themselves in a sexual manner. Or in a way to make themselves. Glamorous. Beautiful. Sexy. Attractive. This is vanity. This is not God's will. It's okay for men and women both. To exercise. To work out. To be healthy.

To want healthy skin. To have a healthy diet. To have a healthy body. This is fine.

But when we're applying. Artificial things to our body. Artificial eyelashes. Cosmetics. Painting. This crap. Is vanity. And it is. Trying to make ourselves. Attractive to people. And especially. Attractive. In a way that. When you look in a mirror. You look like a prostitute. Or you look like someone trying to sell yourself for sex.

To be honest. Amen. Among the men. The problem with tattoos and goatees. Not wanting to let go of having a goatee. Or not wanting to. Stop getting tattoos. Or they still love the tattoos.

They don't feel convicted about the tattoos. That they got in their past. They're not growing. In God's will.

On these issues. Some people. I'm not leaving Babylon.

Let's go to Revelation 18 verse 4. I heard another voice from heaven saying, "Come out of her." Out of Babylon. Out of the false church my people, the true church.

So that you will not participate in her sins. And receive of her plagues. So obviously. There are some people in Babylon.

That are saved. That are God's people. But they're in great danger. Of losing their salvation.

Or at the very least. Of being vomited out of his mouth. And not protected for the great tribulation. Because they think. That. They're okay. Where they're at. They still don't understand. That they're really in the sin of God. Of Satan. They think they're still serving God. That.

Their pastor in that church. Those members. They think that they love God. All of this.

They don't see that they're. That Babylon is. The sin of God. Of Satan. Or they're. In. A. A church that has. Some. Levels of significant truth. That they're. Some levels of significant truth.

But not enough. But not enough. So God still considers it. As a church that they should not be at.

Because it's not. Helping them to grow. Deep enough. Or fast enough. And these people are not leaving those churches. Whether we're talking about Babylon.

Or whether we're talking about true congregations. Whether we're talking about the true church.

There may be some congregations. Out there somewhere. Small congregations. That are not active on the internet. Very much at all. And they're not growing deep enough. In the truth. Or fast enough.

That God would rather. That they leave those. To where they could grow more. Grow deeper.

Grow faster. Grow better. Part of becoming perfected in Christ. Is growing up as a person.

Becoming mature. Which means letting go. Of baby things. And that includes. Previous congregations. Such as Worldwide Church of God. United Church of God. Living Church of God. Church of God Seventh Day. Seventh Day Adventists. The list is endless. Of these congregations.

That we do know of. That do have more truth. Than the average churches. And these may be.

Some of them may be considered. Individual congregations. Depending on who the pastor is. Some of those congregations.

May be looked upon by God. As his people. But he's still not happy with them. They're still not where.

They belong. Where they need to be. At this particular junction of time. When we're running out of time.

We need to be able to. Recognize when. We're in a congregation. That is not helping us to grow.

Or not helping us to improve. Or they're not stepping on our toes. Sufficiently. They're not convicting us.

Sufficiently. To provoke. Good works. And growth. Part of growing up. Becoming complete in Christ. Is. Becoming able.

To take criticism. Even if that criticism comes at us. In a harsh way. Being mature.

Grown up. Means that we're able. To tolerate. Stronger language. As we're not children. We're not tossed to and fro.

Like the wind anymore. As Ephesians says.

We're able to tolerate. Tougher preaching. And tougher. Criticism. Tougher language. Tougher words. It's okay for us to go through boot camp. Because we need tribulation.

We need suffering. We need to be purified through fire. I would rather for you to be purified. By my preaching.

And my toughness. And my harshness. Rather than you having to go through. The most intense.

Situations. Of the great tribulation of captivity. Concentration counts. Starvation.

I'd rather for you to endure. Suffering of. Of my boot camp. Some people don't. Understand. The severity. Or the level

of. High standards.

That God desires. Some people don't understand that. Why high standards. That God really does have.

That we're not just going to enter. Into paradise or heaven. Or the first resurrection just by mercy. But rather that God has.

Extremely high standards. The Bible calls him. A tough man. Amen. Going back now to. They're not willing to. Grow into the stake. The deeper things of the word of God.

They're okay with the foundational. Easy milk stuff. Sabbath and so forth. But when it comes to issues such as. Alcohol. Polygamy. Naturalism. The high standards. The need to rebuke. The need to disfellowship. The corruption. The heavenly signs.

Which the world calls the horoscope. Crystals. These things are. Most true Christians.

And false Christians both. They can't. Grow in these areas. Because these are the stake.

This is the deep things of God. Amen. Polygamy. A man having more than one girlfriend. More than one wife.

Multiple wives. Multiple girlfriends. This is biblical. Even in New Testament. Even in Matthew 25.

It's biblical. And it's much more. Better. For the family. For the church. For the kingdom. It has tons of benefits. It does away with the majority.

Of divorces. Children will actually grow up with both parents. And multiple parents. And multiple moms.

To take care of them. You no longer have to send your children off. To strangers. To be taken care of.

For eight hours a day. One woman doesn't have to. Go by herself. While she's pregnant.

The man doesn't have to. Go without sex. For months on end. The man has his needs.

Taken care of. In multiple levels. Where it really. Does not happen. When you only have one wife. It really does not happen. All the man's needs are not met. And cannot be met.

All the needs of a man. Cannot be met. By one wife all by herself. Especially if he's a leader.

If he has a lot of authority. Or if there's multiple children. They know. That man cannot have all his needs met by one wife.

It's impossible. Naturalism. Nudity. People cannot get out of the mentality. That they're stuck in that mentality. That the flesh is evil. That a woman's chest is evil.

That a man's chest is evil. That every part of the body is evil. Nasty. Disgusting.

They can't get out of that. They can't escape it. Because of legalism. And programming.

Robotic programming. From Babylon. All of their lives. The need for rebuke. That it should not be just. Kissy kissy kissy kissy all the time. That there is a need for harsh rebuke. Harsh criticism.

That these things actually. Help people to grow. People to understand this. These are the stakes.

This is the stake that we need. Perfection. High standards. Provoking to good works.

The heavenly signs. That the world calls the horoscope. We should call them heavenly signs. Jesus was born.

Under the sign of the Virgo. The virgin. Lived it as a virgin all of his life. Born from a virgin.

Born from a virgin. This is a reality we can't deny. But yet most. So called Christians.

And even true Christians. Can embrace this reality. Even though that is extremely simple. And easy to understand.

That even the Magi, expert astrologers, not witches, knew when and where to find Jesus.

Because of the stars and constellations. Because of their knowledge. Of the heavenly signs. This is not witchcraft.

This is the stake. The word of God. It is the holy scriptures. In the constellations which God made.

Crystals. Which are present at God's throne. That's not witchcraft. God is not a warlock.

He has. God surrounds himself with crystals. Why can't we? We're the children of God. Amen.

Crystals will be in paradise with us forever. Amen. The supremacy of Israel.

Is another difficult thing for. People who are Gentiles. People who are Asian. Black or Mexican.

Or other tribes. It's difficult for some people. To understand the supremacy. Of Israel.

That the United States. And the United Kingdom. They should never have black leaders. Black mayors.

Black governors. Black prime ministers. Black or Indian or Mexican. Or Hindu or Asian.

There should not be. Gentile rulers. In the Israelite. Nations. Because then. The Israelite nations. Lose their culture.

They forget their roots.

They forget their foundation. It erodes their morals and their values. Look what happened. With Solomon.

Why he fell away from God. Is because of the Gentile women. That he was with. Not because he had multiple women.

But because it was Gentiles. We praise God that Gentiles. Can be saved. They can become spiritual to Israel.

We praise God for this. We embrace this. We love this. This is wonderful. But the nations of the earth. The Israelite nations. Must preserve their identity. Their values.

The biblical basis for those nations. Our nations. This is difficult for a lot of people to understand and embrace. But they're going to embrace it.

Or not be in paradise. I guarantee you that. The supremacy of Israel. Israelite supremacy.

If you never embrace it. You will not enter the kingdom. I promise you that. You won't.

Because the Bible says repeatedly. Over and over and over. That the nations. Will come and bow down.

To the Israelites. And that's the way it's going to be. The tribes of Israel. Their names will be written in paradise forever.

Not the tribes of Africa. Not the tribes of Mexico. Or Asia. But the tribes of Israel.

Their names will be written in paradise forever. That is Israelite supremacy. That is white supremacy. They just say it like that.

Because it's difficult. Difficult. Extremely difficult. For people to understand.

This stake. Deep. Deep. Deep. In the wings of God. We don't hate. Any nationality. Anybody based on color.

We do not hate. But we understand. What the Bible says. And we embrace what the Bible says.

And preach what the Bible says. Even if it offends. Amen. We used to have a council of elders.

We used to have a council of elders in this church. At one time it was seven members.

Is that right? Robert was seven members. And the majority. Of those members. Were gentile. So. Right there shows you. That.

We don't hate. We don't hate. We don't hate. That. We don't hate. People who are gentiles. They were the majority of our council of elders. We embrace.

Their. Contributions. We sing songs. Some of the songs were written. By gentiles in our worship music. Amen. Some people want to hold on to the. Unclean meat laws.

Old covenant. Done away with. Unclean meat laws. That was only symbolic. That's all it was. Symbolic. Acts 10 is extremely clear. That God himself said.

Do not call them unclean anymore. I have cleansed them. God said it. And yet people don't want to believe.

The word of God. Amen. Some people are. Legalistic. Legalism will keep you out. Of the kingdom. Absolutely legalism. About nudity.

Legalism about unclean meat laws. Legalism. About crystals. And heavenly signs. Called horoscopes. Legalism.

Legalism about alcohol. Wanting to continue.

To condemn Samson. Just for being a man. Legalism. In many different forms. Anyway legalism. Is a huge problem. In both the false church and the true church. Legalism is a major problem.

Concerning alcohol. Nudity, pornography. Drugs, crystals. Different things. Medicine is also legalism. When they try to say that medicine. All medicine is witchcraft. That is both.

Legalism and wrong. Incorrect. Amen. So again. Holding on to false theology. Something they learned from the church of YouTube. Amen. So we've gone through actually.

A very long list. It was one more thing. Was that some people don't want to let go. Of their worldly.

Music. And we're not against. All non-Christian music. We fully accept. That there's a lot of music. That is not gospel.

That is not worship. That is acceptable.

A lot of the jazz. Out of the country. Some of the pot rock. Different categories.

Really you can go through all the categories. Of different types of music. That there are a lot of it. Is acceptable.

We're not legalistic on that issue. There are some people that are legalistic. On that issue. That try to say that only worship music.

Is acceptable. And that's very ridiculous. However. We recognize that there is. Some worldly music. That people need to let go of. Some of that hardcore rock and roll. Hardcore heavy metal stuff.

And a lot of that. So called fake. Christian music. That's coming out from. Catholics. A lot of those boy bands. And contemporary. A lot of the Christian music out there.

On the Christian radio. A lot of that is sung. A whole lot of that is Catholics. And why would you want to worship.

To Catholics singing. Knowing that they worship Satan. Why would you want to do that? You got to be careful who you listen to.

On the radio. Who you sing along with. The lyrics might be correct. And true. It might be a beautiful song. Beautiful. Everything about it. But who is singing it?

If Satan himself was to sing a beautiful song with all correct lyrics, would you sing along with Satan? And yet that's exactly what you're doing. With the majority of the so called. Contemporary music on the radio.

You're singing along with Satan. As we just did that sermon about. False lights. And demonic lights.

That even Satan himself. Transforms himself into a manifestation. Of an angel of light. Or a messenger of light. You got to be careful who you listen to. On the radio. On the internet. On YouTube. You got to be extremely careful about these decoys. And fakes. We don't need to be singing the music of Babylon. This is why we.

The church created our own worship music. We don't need it. That's tough for a lot of people to swallow. They don't see the problem.

God does. Amen. We all have our weaknesses. And imperfections. And things we need to work on. Including myself. But nevertheless. This is a pretty good list.

Of why a lot of people. Would not be protected by God. In the great tribulation. Nevertheless. Some of those people that have to go through that suffering. Will be purified. By it. And make it out. Alive. And will be part of that great revival. In that final year of the great tribulation. And it will be a beautiful thing. They will repent. They will escape the concentration camps. The war will turn around. And it will be a beautiful sight. Some people have to go through that. Some people have to learn their lessons. The hard way. I learned a lot of my lessons.

The hard way. I did. And for most people that's the way it has to be. So be it. But nevertheless. It's my job. My duty. My responsibility.

To forewarn you. Prepare you. And help some people. Not have to learn the hard way. Or not as hard. I would say that. It's still the hard way to put up with me. But to learn. And not such a hard way. Amen. I would offer somewhat. As well. Even when God protects us. It's not going to be paradise yet. There will still be shaking. There will still be those nervous moments. There will still be those moments in which we are tested in the wilderness. Don't forget the lesson. Of the Israelites in the wilderness. They saw the miracles. They went through the exodus. They were protected by God. They defeated the enemies. But yet they lost faith about God nourishing them. God protecting them. God feeding them. They lost faith in God from day number one. And I think history repeats itself. So it won't be paradise. Even for those that are protected from God because of how human nature is under rebellious and stubborn and foolish. We'll still be purified even in the wilderness. We won't totally escape the great tribulation.

I forgot to turn on the camera. I apologize. I didn't have the camera on the whole sermon. I got so much going on. Today I had extra things going on. I thank you for your understanding. I got a lot going on. I got a lot of programs that I have to take care of when I do these sermons.

I praise God. We're going to put on a song now. Be back with your testimonies and questions and comments. But before I put on that song, I praise God for this new ability because of Sister Felicia and what God is doing through her. That she had started the Instagram account and had great success with it. And therefore I started an Instagram account. And then yesterday I downloaded an app that would help me to make those reels, those short videos, which they call reels, transcript spelling.

And now I'll be able to make them even faster, even better, and be able to upload them to other social media, not just Facebook and Instagram, but other places as well. YouTube and Substack and VK and other places. And I need to also, I need to also get an account over on Truth social media and some of those other social medias.

We need an account on every social media that there is. We do. Maybe not Tiktok and a couple others. But the majority of social media we need an account.

That's just more work, but we need to do it. And I need to finish the AOB book of Daniel, get that, the whole book of the AOB republished.

Again, that's a lot of work. Please pray for me as I'm going to try to really push on getting Daniel finished so that we can get the Alpha and Makeup Bible republished.

Pray for me intensely. Pray, pray, pray, pray, pray, and push me and push me and push me in prayer on this issue. I need to get this done. So we can move forward with some other projects. Pray intensely also for more members, more true members, not just members, but true members, sisters and brothers in Christ that will be devoted to the work. As I said, one of the problems is people not working enough for the kingdom. We need true sisters and true brothers that are willing to leave their homes, their husbands, their lives, their families, their money, their colleges, their plans, their wheel, their careers.

We need people that will surrender everything and follow the Lord and come and help us and be coworkers. There's a lot of work to do. And we could staff an entire building. If we had enough people, we could really staff an

entire office building full of workers full time that would be busy and every person would stay busy. That's how much work there is to do if we had the workers with full commitment that didn't have other responsibilities. So pray that God would send them. And I'm asking you to pray and pray and pray and push hard in prayer for that because it's a very severe need.

We need to go beyond these little prayers and prayers that are not compassionate or not passionate.

As I said, we need to be passionate. Not I said, but God said we need to be passionate.

That needs to be reflected in our prayer life as well. We need more passionate prayers because you need to understand, you need to come to understand the intensity of the need for more brothers and sisters.

This prayer has got to become passionate. We have got to beg God for more brothers and sisters.

We need it like we need the breath of life. It's very extremely needful. I cannot overstate how needful this is. If your heavenly son says you have a certain flaw, you do not have to be stuck in that flaw.

You can overcome it. That's the purpose of us coming into the knowledge of the heavenly signs.

It's so that we can take this list of our weaknesses, our problems, and conquer those things.

It's not impossible. Don't use it as an excuse to stay stuck in it. Going back to the music again, and certain songs and artists that are not acceptable, including a lot of the contemporary Christian, also a lot of the majority, the greatest majority of so-called Christian rock, a lot of it is just satanic, very intense music, very intense vibration, very intense energy, and I don't understand how anybody cannot see that, feel that, discern that.

We need to pray for anybody that we know that won't let go of it. There's some Christian rock that is acceptable, but the majority of it is too hardcore for God.

We need to understand that worship music needs to be acceptable to God, not just pleasant to our ears and our own mentality and our own heart, but worship music needs to be acceptable to God, and so we need to think about how does God hear this?

How does God receive this? How does God feel about this? And we know that God is an old man, that he is old-fashioned, amen, and we need to take that into consideration.

Again, we should be family and we should be updating each other on many different things in our life.

Health and finances and victories and family situations and other situations in our life.

Multiple different aspects of our life that we need to be more communicative about.

I hope that somehow today that you understand better now than what you did before today.

I hope that might be true. We're going to put on a song and be back with your testimonies and your questions and comments.
